# Assumption Request

This form should be submitted for all Assumption Requests for Enact's consideration. All assumptions, with or without release of liability, require Enact approval prior to completion. In some cases, the Insured is prohibited by applicable law from exercising its rights under a "due on sale" clause or is obligated by applicable law to consent to an assumption. The Insured is responsible to ensure the original note or security instrument (deed of trust or mortgage) does not impose any restrictions to an assumption.
