SUMMARY OF CHANGES

Summary of changes effective with this Guide for all Policies:

- Rather than return an unperfected claim after 90 days, Genworth will deny the Claim if not perfected within 120 days following submission of the initial Claim.
- An appeal, with the ability to supply supporting documentation, of a Claim Denial Notice, Rescission Notice, Company Cancellation Notice or Explanation of Benefits is being extended from 90 days to 120 days following receipt of the notice.

1) OVERVIEW

To support the transition to Master Policy 1480, Genworth has established a Master Policy Resource Center on our corporate website at <http://mortgageinsurance.genworth.com/OurCommitment/MasterPolicyResources.aspx> that contains implementation resources, including a high level change summary and FAQ documents.

1A) INTRODUCTION

The applicable Policy sets forth the terms and conditions that govern mortgage insurance issued by Genworth. Please refer to the applicable Policy for complete details. This Guide is intended to provide clarification, illustrative examples, and supplemental information on the requirements of the Policy. In the event the requirements of the Policy or this Guide are not followed it may, in certain circumstances, result in cancellation of coverage, rescission, reduction in the Insurance Benefit, or Claim denial. If there is a conflict between this Guide and the Policy, the terms and conditions of the applicable Policy will control. For ease of reference, capitalized terms used and not defined in this Guide have the meanings set forth in Master Policy 1480.

Genworth understands the importance of reliable and timely payment of Claims and we are providing this Guide so that you can better understand the process and requirements for:

- Commencement of Appropriate Proceedings
- Foreclosure bidding
- Filing a Claim
- Claim Settlement
- Claim Curtailment

In addition to this Guide, Genworth has other resources available to assist Servicers. Visit our website at <https://MIservicing.genworth.com/Publications/Default.aspx> to access Genworth's (i) Default Management Servicing and Reporting Guide for Default servicing and delinquency reporting requirements and (ii) Lender Servicing Guide for information related to activation, maintenance and

2B) FORECLOSURE TIMES AND REDEMPTIONS BY STATE

5B) CLAIMABLE ITEMS

Items Included in the Calculated Loss of a Claim:

- Unpaid principal balance due under the Loan as of the date of Default
- Unpaid accumulated interest due under the Loan computed at the Loan contract rate
- Certain Advances paid by the Servicer or Beneficiary and incurred following the date of Default through the date of Claim submission (or date the Claim should have been submitted if that is earlier) as specified in the applicable Policy, for example:
 - Reasonable and customary Property insurance premiums
 - Real estate taxes and assessments
 - Reasonable and customary Property preservation expenses
 - Condominium fees/homeowner's association dues
 - Customary court costs and other reasonable expenses incurred in Appropriate Proceedings, including reasonable attorney fees

Examples of Items Deducted from the Calculated Loss:

- Funds remaining in the Loan escrow account as of the date the last Loan Payment was made

- Rent and other payments received related to the Property
- Other funds received to reduce the total indebtedness, such as primary mortgage insurance proceeds or FHA/VA proceeds
- Hazard Insurance proceeds

Please consult the applicable Policy for complete information and details about allowable Advances and specific items included and deducted from the Calculated Loss, or contact the Claims Department at 800 334.9270 or gnw.claims@genworth.com for assistance or additional information.

5C) SUPPLEMENTAL CLAIMS

MP 1480 Within 90 days after payment of an Insurance Benefit, the Servicer or Beneficiary will be entitled to submit a supplemental Claim for allowable Advances incurred prior to the date the initial Claim was submitted and actually paid by the Servicer prior to the submission of the supplemental Claim, but not included in the initial Claim.

All Other Policies Within 90 days after payment of the Claim, the Insured shall be entitled to submit a supplemental Claim in an amount equal to advances made prior to the date we received the initial Claim that were not included in the initial Claim.

5D) APPEAL OF CLAIM DENIAL OR REDUCTION OF INSURANCE BENEFIT (JUNE 2016)

The Servicer or Beneficiary may, no later than 120 days following receipt of a Claim Denial Notice, Rescission Notice, Company Cancellation Notice or Explanation of Benefits, request in writing that Genworth reconsider its decision. The Servicer or Beneficiary must provide all information and documentation necessary for evaluation of the request within such 120 day period. Appeals due to a reduction in the Insurance Benefit should include a Supplemental Claim for Loss Form. Please note that in many cases a reduction in the Insurance Benefit is due to Genworth not receiving complete documentation with the initial Claim submission, for example the complete Servicing File.

Appeals may be submitted via email to MIClaimAppeals@genworth.com.

5E) PROTECTION AND PRESERVATION OF THE PROPERTY

In order to protect the Insured's or Beneficiary's rights under the Policy, the Servicer should ascertain the occupancy status and condition of the Property immediately following the conveyance of Borrower's Title to the Insured. Also, the Servicer should take appropriate measures to assure Good and Marketable Title and that the Property is preserved and protected. Therefore, it is the Servicer's responsibility to advance:

- Reasonable and customary Property insurance premiums
- Real estate taxes that become due and payable on or after the date of Default

- The cost of engaging in Appropriate Proceedings
- Reasonable attorney fees
- Reasonable and customary expenses necessary for the protection and preservation of the Property

Although prior approval for Advances is not required by Genworth, the Servicer is encouraged to obtain prior approval since Genworth may disallow certain Advances if in Genworth's judgment the Advances were not reasonable and customary.

5F) LISTING AND SALE OF REO PROPERTIES

Once the Property is vacated, the Servicer should obtain a current BPO or appraisal and list the Property for sale at fair market value as soon as possible.

Any purchase offers received prior to the settlement of the Claim must be presented to Genworth for approval or rejection along with an interior appraisal or BPO including interior photographs and any repair addendums dated no more than 90 days prior to approval. To expedite the evaluation of the offer, please email the offers details to REOSaleApprovals@genworth.com. Within 10 Business Days of receiving a request for approval of a purchase offer, Genworth will approve or deny the request. If additional information is needed to evaluate the request, we will deny the request within 10 Business Days and indicate the additional information that is required. If we do not respond within this timeframe, the request is deemed to be approved.

MP 1480 Please note that a delay in timely listing properties for sale or presenting purchase offers to Genworth may result in a Claim denial or a reduction in the Insurance Benefit due to an adjustment of any interest and Advances accruing during the period of delay.

5G) POLICY EXCLUSIONS (JUNE 2016)

Please see the applicable Policy for a list and detailed explanation of coverage exclusions under which Genworth may issue a Rescission Notice, Company Cancellation Notice, Claim Denial Notice, or reduce the Insurance Benefit. **Please note that a Claim Denial notice will be issued if the Servicer or Beneficiary fails to perfect a Claim within 120 days following submission of the initial Claim.**

If you have any questions about coverage exclusions please contact the Claims Department at 800 334.9270 or gnw.claims@genworth.com for additional information.

5H) CLAIMS CURTAILMENT METHODOLOGY

Reduction of Interest and Advances

When a Servicer does not meet the requirements and timelines in the Policy, Genworth may adjust the Calculated Loss by deducting interest and Advances corresponding to the number of days that an activity was required but did not occur. For example:

- If a Claim is submitted after the 60-day period required for submission of a Claim, we may adjust from the Calculated Loss any interest accruing and Advances incurred after such 60-day period.

Any reduction or adjustment to the Calculated Loss will be itemized in the Explanation of Benefits supplied with the Insurance Benefit payment.

Loss Mitigation Review

When a Servicer has conducted loss mitigation activity but the efforts do not comply with this Guide, the Default Management Servicing and Reporting Guide, GSE Guidelines and the CFPB Rule, Genworth adjusts the Calculated Loss by deducting interest and Advances corresponding to the number of days that a loss mitigation activity was required but did not occur.

For example, if the GSE Guidelines require a certain loss mitigation activity to occur by day 60 of the Borrower's Default, but the Servicer does not engage in that activity until day 90, Genworth may reduce the Insurance Benefit by deducting 30 days of interest and Advances from the Calculated Loss. Any reduction will be itemized in the Explanation of Benefits supplied with the Insurance Benefit payment.

For further information regarding servicing of Loan in Default, please see the Default Management Servicing and Reporting Guide and the Genworth Loss Mitigation Review Process Grids which can be obtained on the Genworth MI Servicing Website:

<https://MIservicing.genworth.com/Publications/Default.aspx>

6) CLAIM SETTLEMENT METHODS

6A) SETTLEMENT OPTIONS

Genworth may select from the following Claim settlement options when settling the Claim, as specified in the applicable Policy:

- Acquisition Option
- Percentage Option
- Loss on Property Sale Option
- Settlement on Basis of Approved Sale
- Anticipated Loss Option

Please consult the applicable Policy for complete details about the Claim settlement options or contact the Claims Department at 800 334.9270 or gnw.claims@genworth.com for additional information.

6B) EXPLANATION OF BENEFITS (EOB)

The Explanation of Benefits (EOB) provides a categorized itemization of a Claim settlement. If adjustments are made to the Insurance Benefit, an explanation for the adjustment is provided. An EOB is provided with each Claim settlement and is available online at <https://Mlservicing.genworth.com>.

7) CREDIBLE EVIDENCE

MP 1480 Genworth must have Credible Evidence of an Eligibility Criteria Violation, First Party Misrepresentation or Pattern Activity in order to issue a Rescission Notice rescinding coverage on a Certificate.

MP 1480 Examples of Credible Evidence include, but are not limited to any one or more of the following:

- Undisclosed Borrower mortgage involving the same loan originator as the subject Loan (as the loan originator should be aware of and detect such other mortgage and ensure it is disclosed as part of the subject Loan Application)
- A review appraisal indicates a variance of fifteen percent (15%) or more in the value of the Property as compared to the Origination Valuation and there is evidence that the appraiser manipulated or selectively utilized information in producing the appraisal that established the Origination Valuation (e.g., if the sales history of the subject Property or its relation to comparable properties is misrepresented)
- Verification of Origination documentation generated by a First Party that was confirmed to be falsified. For example: verification of employment, verification of assets, verification of rent
- Any situation where a straw buyer is presented as the Borrower for purposes of qualifying an otherwise unqualified Borrower if it can be shown the First Party was aware of the straw buyer
- Any situation where the Borrower has presented false identification where it can be shown a First Party was aware
- An investigation by regulators or law enforcement agencies has established that there was First Party Misrepresentation involving the Loan
- A First Party, the Servicer, Insured, Third-Party Beneficiary, or owner of the Loan has reported First Party Misrepresentation to the Company
- The Loan has been repurchased as a result of First Party Misrepresentation
- The final HUD-1/Closing Disclosure indicates that the Borrower received interested party contributions that exceeded the guideline limit

- The final HUD-1/Closing Disclosure indicates that the Borrower failed to make the required down payment at closing
- The final title report indicates an undisclosed second lien on the subject property

8) SUBROGATION AND DEFICIENCY JUDGMENTS

Genworth is subrogated, upon payment of an Insurance Benefit, to the Insured's or Beneficiary's rights of recovery against the Borrower. Therefore, Genworth may pursue a Borrower for its loss when permitted under Applicable Law.

The Servicer should foreclose and bid in a manner that protects the deficiency rights unless otherwise instructed by Genworth. Please see the Section of this Guide entitled Foreclosure Bidding Instructions for bidding instructions.

Genworth may request the Servicer to foreclose in a manner outside of the normal and customary state foreclosure process to preserve its rights of recovery (e.g., judicial foreclosure rather than non-judicial). All associated expenses incurred by the Servicer will be handled in accordance with Section 11.3 (Deficiency Judgments) of the Policy.

Should Genworth elect to pursue a Deficiency Judgment against the Borrower, Genworth or our designee may request that the Servicer and Beneficiary provide such information and execute and deliver such documents and instruments necessary to transfer, assign, and secure your subrogation rights.

Genworth and the Beneficiary may jointly elect to pursue a Deficiency Judgment. In that case, all expenses associated with the preservation and pursuit of a Deficiency Judgment will be shared pro rata between Genworth and the Beneficiary in accordance with the Policy.
