9 Renewal Billing

9.1 Types of Renewal Plans

9.2 Billing Cycles

9.3 Renewal Billing Methods

Premium renewal billings are generated monthly. For monthly premium plans, the renewal bill will include the current month's premium that is due. For annual premium plans, the renewal bill will include the annual premium that is due the next month. For instance, if the current month is March, the March bill includes March monthly and April's annual Premium due. Loans that have been reporting delinquent will be included on the bill.

9.1 Types of Renewal Plans

Zero Monthly Premium MI

Zero monthly Premium MI is a payment option which features monthly Premium rates with no Premium required to activate. Coverage begins when Genworth is notified of the Loan closing date.

- First renewal Premium is due on the 1st day of the month following Loan closing
- First renewal Premium is billed during the month the Premium is due

Amortized (declining) renewal plans

- Loan balance is updated in our system annually, using the anniversary month of the Loan closing date
- The unpaid principal balance of the Loan should be supplied to Genworth annually on the anniversary month. Servicers will need to supply the balance, on that billing statement, and calculate the renewal Premium due using the rate displayed on the billing statement

Level (constant) renewal plans

- Premium is always based on the original insured amount

Questions or concerns? Please contact the Genworth ActionCenter® at 800 444. 5664 or action.center@genworth.com.

Annual Premium MI

Annual Premium MI is a payment option where the renewal Premium is due once each year.

Amortized (declining) renewal plans

- Premium is based on the current balance at the time of renewal
- The unpaid principal balance of the Loan should be supplied to Genworth
- The billing notice will indicate only the Premium rate and Servicers should supply the balance and calculate the renewal Premium due to Genworth

Level (constant) renewal plans

- Renewal Premium due will remain the same for the first ten (10) years and then decrease to a lower renewal rate for the remaining life of the insurance

Single Premium MI

Single Premium BPMI provides coverage until the Loan amortizes to 78% of the original value, unless previously canceled. Single Premium LPMI is a one-time payment that provides coverage for the life of the Loan. Although no renewal Premiums are required, it is important that any servicing transfers and cancellations be reported to Genworth so that the Servicer information can be maintained.

Split Premium MI

Split Premium MI is a payment option that features lower monthly rates combined with an upfront Premium due at closing. Renewal Premiums are due monthly.

Monthly Premium MI

Monthly Premium MI is a payment option which features a coverage term of one month; Premiums are remitted monthly. The Premium rate shown is the annualized first year and renewal Premium rate. The product characteristics are:

- Coverage begins when Genworth is notified of the Loan closing date and receives Premium
- First renewal Premium is billed during the month the Premium is due and every month thereafter

Amortized (declining) renewal plans

- Loan balance is updated in our system annually, using the anniversary month of the Loan closing date
- The unpaid principal balance of the Loan should be supplied to Genworth annually on the anniversary month. Servicers will need to supply the balance, on that billing statement, and calculate the renewal Premium due using the rate displayed on the billing statement

Level (constant) renewal plans

- Premium is always based on the original insured amount

Questions or concerns? Please contact the Genworth ActionCenter® at 800 444. 5664 or action.center@genworth.com.

10 Renewal Premium

10.1 Overdue Notices

10.2 Renewal Premium Payment Options

You must pay the renewal Premium for the renewal term at the rate specified in the Certificate. The renewal Premium covers the renewal term shown on the Commitment/Certificate of Insurance. Genworth must receive payment of the entire renewal Premium on or before the expiration of the term for which Premium was last paid, or within the applicable grace period of 90 days. Coverage will cancel as of the last day of the term for which Premium was paid if the renewal Premium is not received. For purposes of this provision on timely payment, we will consider the Premium due date to be as set forth on our renewal billing. All payments of Premium must be made in full.

Please note that the receipt and deposit of Premium by Genworth does not constitute acceptance until we have completed a final reconciliation of our records with respect to such Premium payment.

10.1 Overdue Notices

Overdue notices are sent monthly at the time your bill is generated and indicated on the bill. Failure to pay renewal Premiums, as specified in the Policy or this Guide, on any Certificate, will result in the automatic cancellation of mortgage insurance on the Certificate.

10.2 Renewal Premium Payment Options

Genworth accepts payments by ACH or wire and by check. For remittance address information please see Renewal Billing Method section of this Guide.

Please note that sending checks to our physical address will cause a delay in the application of your payment to the Certificate.

Questions or concerns? Please contact the Genworth ActionCenter® at 800 444. 5664 or action.center@genworth.com.

11 Premium Paid After Loan Default

We will not terminate coverage on the basis of failure to pay renewal Premium for the period following a Default. Accordingly, you are not required to pay Premium during the period after Default. If, however, Premium is received after Default, we will apply the Premium to cover renewal Premium to keep the coverage in force in the event the Default on the Loan cures. If, on the other hand, the Loan does not cure, any such Premium received for post-Default periods will be refunded upon settlement of the related Claim.

If a Default on the Loan cures, we must receive any unpaid renewal Premium for the period after Default. Coverage on the Certificate will terminate if we do not receive the Premium. We have no obligation to reinstate coverage on the terminated Certificate following the expiration.

Questions or concerns? Please contact the Genworth ActionCenter® at 800 444. 5664 or action.center@genworth.com.

12 Taxes, Assessments and Surcharges

Premium tax, surcharges, or assessment amounts may be charged at a state level on initial and renewal Premium if required by Applicable Law. Currently there are two states (Kentucky and West Virginia) that require us to collect these amounts from the Initial Insured, Insured or Beneficiary in addition to the Premium. The Insurance Application received date is used to determine the start date of the rate for Premium taxes, surcharges and assessments. In order to maintain coverage these amounts must be paid along with the Premium.

- The Kentucky state Premium surcharge rates are shown below.

State	Rate	Start Date	End Date
KY	0.018	4/1/2010	
KY	0.015	10/1/1990	3/31/2010*

In addition, we must also collect any applicable Kentucky municipal and/or county government Premium tax which is assessed at the rate set by the local government. These rates vary by municipality and county and are subject to change annually.

- The West Virginia state Premium surcharge rates are shown below.

State	Rate	Start Date	End Date
WV	0.0055	1/1/2006	
WV	0.01	7/1/1992	12/31/2005*

* For applications received on or after the Start Date but before the End Date indicated.

Please be advised that the rate and amount for all taxes, surcharges and assessments are subject to change by the governing jurisdiction. The amount of the tax, assessment or surcharge is shown on your Commitment/Certificate of Insurance for the initial amount to be paid. Thereafter, the amount due is shown on your monthly bill. **Your Premium payments cannot be applied to the Certificate without remittance of the applicable taxes, assessments or surcharges.**

Questions or concerns? Please contact the Genworth ActionCenter® at 800 444. 5664 or action.center@genworth.com.

13 Payment of Incorrect Premium Rate

MP1480 If a Loan received an inaccurate Premium rate because of inaccurate or omitted Loan Application information but would still be eligible for coverage at another Premium rate offered by us, we may elect to charge a Premium differential payment. You will be obligated to pay the differential Premium payment, which will be based upon the Premium we would have expected to receive on that Loan at the correct rate. Additional Premium, if required, must be paid within 60 days of our notice or we may rescind coverage.

- Premium differential payments will not be requested for inaccurate Origination Valuations that do not result in a Material Value Variance but may be requested as a result of inaccurate loan-to-value information.
- Premium differential payments will not be requested for Loans eligible for rescission relief under the Policy.

If you encounter this situation, contact lender servicing at lenderservices@genworth.com.

Questions or concerns? Please contact the Genworth ActionCenter® at 800 444. 5664 or action.center@genworth.com.

14 Term of Coverage

MP 1480 Provided that all Premium is paid as required on a Certificate, and subject to the terms and conditions of the Policy and this Guide, coverage on a Certificate will continue in effect until the first of the following events occurs, at which time coverage will terminate automatically.

- The Loan is paid in full

Notwithstanding the foregoing, coverage under the Policy for a Loan may be renewed by the Insured (subject to all the terms and conditions of the Policy), effective as of the end of such initial period, for successive periods (annual or monthly as applicable) upon the timely payment of renewal Premiums until the first to occur of the following events:

Provide the following documentation:

- A letter outlining the following
 - Why the release is being requested

15.3 Coverage Changes

If the request is approved, we will send the Servicer an amended Commitment/Certificate of Insurance which will reflect the increased coverage and Premium amount. The increase in coverage will be effective with the next renewal Premium payment.

Note:

- For annual product coverage decreases, we will calculate the differential in premium for the time remaining in the present term and issue a refund, if any, to the Servicer
- For monthly product coverage decreases, the decreased coverage and Premium will be effective at the next renewal billing.

15.4 Address Changes

If the Property address on the Commitment/Certificate of Insurance is different from the Loan documents, a request to correct the address must be submitted in writing with a copy of the appraisal, Mortgage/deed of trust or promissory note.

If the Commitment/Certificate of Insurance reflects a lot and block number and a Servicer has a street address, a request to change must be submitted in writing along with a copy of the original appraisal, Mortgage/deed of trust or promissory note.

Sometimes the state, city or county will change an address. If this occurs we require a copy of the letter from the state, city or county prior to making the change.

15.6 Modifications

Defining Traditional Loan Modifications:

- A change to any Loan term of an existing first-lien Mortgage through modification of the existing Note (the existing Loan is not paid off, and a new refinance Loan is not Originated); and
 - Changes to the Loan terms include (but are not limited to) a change in interest rate, amortization term, or mortgage instrument (for example, ARM to fixed-rate). Generally, the new Loan term should place the Borrower in a more favorable position to enable continued home ownership by:
 - Reducing the mortgage payment, interest rate, or principal balance; or
 - Reducing the amortization term (Loan term); or
 - Extending the ARM fixed-payment period; or
 - Providing a more stable mortgage product (for example, changing from a potential neg. am Loan to a fixed-rate fully amortizing mortgage).
- The Loan Payment status is current (less than 30 days past due); and
- The modification is not due to a financial hardship

Traditional Loan Modifications requests on current Loans should be submitted to the National Processing Center at branch-NPCgenworth.com or fax (800 673.7718) for prior approval.
